

BHAI JOGA SINGH PUBLIC SCHOOL  
D-4, FAIZ ROAD, KAROL BAGH, NEW DELHI-110005  
HOLIDAYS HOMEWORK 2020 CLASS V

**ENGLISH**

Month of May brought long, hot days,

And now we have our summer holidays.

- ❖ Parents are requested to encourage their ward to do the activities independently.
- ❖ Creativity and originality of the work will be appreciated.
- ❖ All activities should be done neatly on an A4 size coloured sheets.
- ❖ Compile and put your holiday activities in an attractive folder.
- ❖ Students can visit the following websites under the supervision and guidance of their parents and enjoy doing these grammar exercises and playing grammar games with other members of your family whenever they have some time:

<https://www.funbrain.com/games/grammar-gorillas>

<http://www.eslgamesworld.com/members/games/grammar/index.html>

- ❖ Revise all the assignments given so far. (Assignment no.1 to 11)

I. Activity

“What is a superhero?”

They’re supposed to represent hope, opportunity and strength for everybody.

Watch a movie of your favourite superhero and do the following activities:

a. Create your own superhero. Give him/her a fancy name and mention what powers he/she should have.

b. Every superhero has his/her own logo as shown below:

Design a logo for your superhero, using different geometrical shapes.

c. Write a short paragraph on Your Superhero.

[Empower your superhero with powers that can help resolve any one of the following issues being faced by your city: a) pollution b) Corona Disease]

## II. Reading is fun.

One is never alone when one is with books. Sitting in your room with your book you could go off to faraway places, meet all kinds of people, animals, birds and even fairies. What fun!

Reading will teach you many new words. You will write better and speak well. Read books to discover lots of new things!!

## III. WRITING

Do writing practice every day? [You can use articles from newspaper, your old textbooks etc)

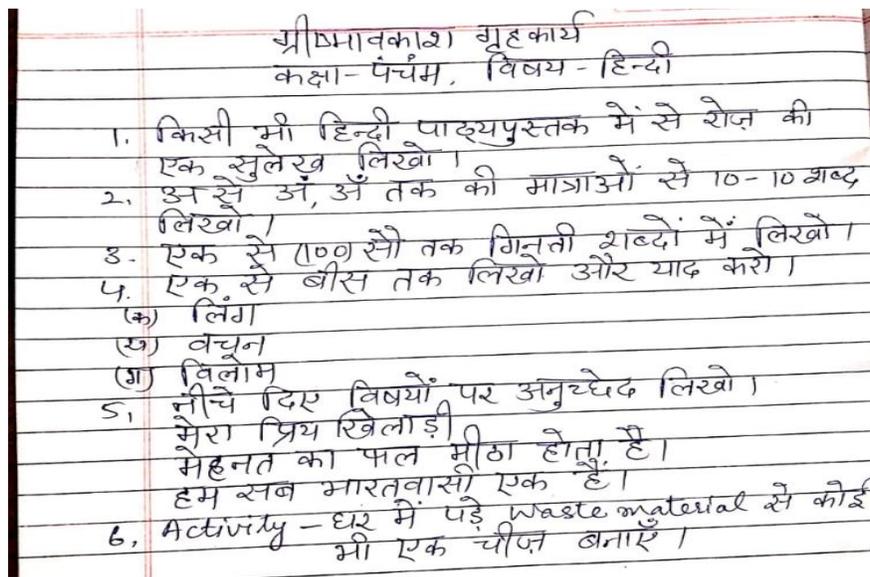

## IV. Skills to develop:

Help your mother in the kitchen in whichever way you can. Click pictures of it and share your experience with your classmates. Also, list down the activities you performed while helping your mother on a sheet of paper. [You can draw as well]

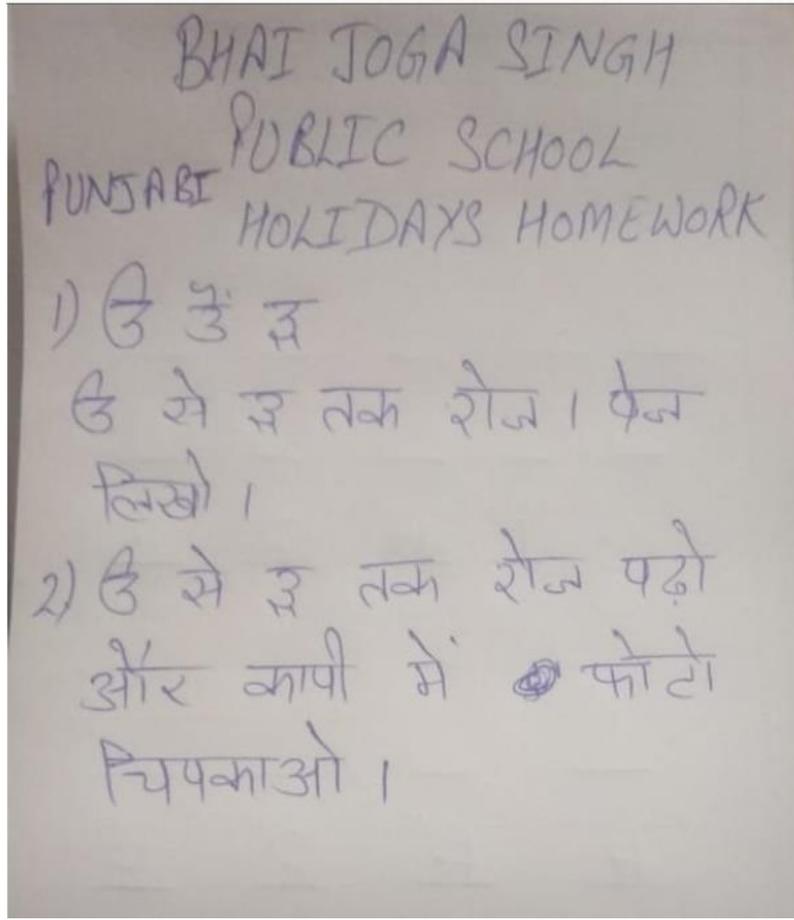

## V. Creativity

Make a beautiful bookmark and write an inspirational quotation on it.

## HINDI

## Punjabi

## MATHEMATICS

*Make a separate notebook and do the following homework in it :*

1. Learn and write tables from 2-20 three times in your notebook.
2. Do three questions each of Addition of 6 digit numbers ,  
Subtraction of 6 digit numbers on a regular basis ,  
Multiplication of 4 digit numbers .
3. Read the newspaper daily and write the maximum and  
minimum temperatures of the day in the same notebook .
4. Paste one-one photograph of any two famous mathematicians  
and write the important contributions of them (not more than 30  
words).

## 5. PLACE VALUE SYSTEMS

Make the same table as shown below in your notebook . Write the mobile phones of all your family members or friends and fill the following table :

| S. No. | Mobile Numbers | Indian Place Value System | Number Name | International Place Value System | Number Name |
|--------|----------------|---------------------------|-------------|----------------------------------|-------------|
| 1      |                |                           |             |                                  |             |
| 2      |                |                           |             |                                  |             |
| 3      |                |                           |             |                                  |             |
| 4      |                |                           |             |                                  |             |
| 5      |                |                           |             |                                  |             |

6. Collect the population of 10 large cities or 10 countries and then :
- Write them in both Indian and international systems.
  - Write them in ascending and descending order .
7. Make the following table on a chart :

| S. No. | Relation | Age in Hindu-Arabic Form | Roman Numeral |
|--------|----------|--------------------------|---------------|
| 1      | Mother   | 32 years                 | X X X I I     |
|        |          |                          |               |
|        |          |                          |               |
|        |          |                          |               |
|        |          |                          |               |

Note down the age of each family member and paste the coloured papers representing age in ROMAN NUMERALS as shown in the table.

8. Revise and practice Chapter -1 and 2 .

### SCIENCE
