HOLIDAY HOMEWORK (2020-21)

Dear Parent,

Summer Vacations are just round the corner. To keep our little ones indoors in the sweltering heat and to utilize their time with constructive and creative activities, we have planned the activities that will help to keep the children engaged channelize their energy and at that same time improve their concentration , motor skills and promote independent learning. Kindly help and guide your child in completing the work.

For The Parents

Be a Friend : Play games with your child like – Ludo, Carom-board.

Sharpen Memory : Put a few things on a tray show the tray to your child for a while and then cover the tray. Ask your child to name the objects which were on the tray. This activity will help enhancing the memory and vocabulary of your child.

Story time : Narrate simple stories to your child, ask to recall some characters and incidents of the story, asking simple question related to the story
